* EUPEA, CAPDI, & LSM have the pleasure to invite you to the 25th EUPEA Forum in Milan, ITA from Thursday, **October 16th, to Saturday, October 18th 2014**. The main topic of the forum will be "Quality in Physical Education". On Friday afternoon will be organized a Seminar on this topic, which will be focused on the outcomes of the previous EUPEA Seminar on QPE organized in cooperation with UNESCO. Furthermore, examples of Good Practice will be presented.

You will find all preliminary information concerning the program by following this link:

<http://www.eupea.com/nl/x/394>

* From **22-28 October 2014**, ICSSPE is hosting the 7th edition of the interactive seminar "Communities and Crisis – Inclusive Development through Sport." International experts and practitioners from the fields of sociology, psychology, social work and physical activity/education will once again deliver a hands-on training programme. Through both theoretical and practical learning sessions, participants will learn how to implement Sport-for-Development programmes. Further information regarding the programme and registration can be obtained from

<http://www.icsspe.org/content/communities-crisis-0>.

* Call for papers for WCSF2015: The 8th *World Congress on Science and Football 2015* has opened for registration and call for papers. Several speakers are confirmed, and abstracts are invited within the overall themes: Physiology, biomechanics, and sports medicine, and social sciences and humanities. WCSF2015 is a multidisciplinary congress highlighting the newest research results, methodologies and applied approaches in various academic disciplines. International scholars from the natural, human and social sciences, as well as practitioners, will be gathered from **20-23 May 2015** in Copenhagen, Denmark, to exchange knowledge and participate in a dialogue on mono- and multidisciplinary aspects of football. Find out more on www.wcsf2015.ku.dk.

* The *European Physical Education Review* will run a special issue on student learning through interaction in late 2015. Scholars interested in contributing to this issue are invited to submit a working title and abstract to either: Dean Barker (dean.barker@gu.se), Tristan Wallhead (Wallhead@uwyo.edu), or Mikael Quennerstedt (mikael.quennerstedt@oru.se) by 1 September 2014. Complete papers will be submitted to EPER by 1 August 2015. More information can be found at: http://epe.sagepub.com/site/CFP/Learning_through_interaction_CFP.pdf

* Please take note of the latest issue of the *Aspetar Sports Medicine Journal* which contains an article by Margaret Talbot on "When good science is not enough. The need for advocacy for physical activity". You can access it online here:

<http://www.aspetar.com/journal/viewarticle.aspx?id=167#.U-oQI5xsLyV>

* The World Congress on Education (WCE-2014) will be held November 10-12, 2014 at the Marriott Hotel London Heathrow London, UK. An Extended Call for Papers, Extended Abstracts, Posters, Workshops and Tutorials can be found at www.worldconedu.org The World Congress on Education (WCE) is an international refereed conference dedicated to the advancement of the theory and practices in education. The WCE promotes collaborative excellence between academicians and professionals from Education. The aim of WCE is to provide an opportunity for academicians and professionals from various educational fields with cross-disciplinary interests to bridge the knowledge gap, promote research esteem and the evolution of pedagogy. The WCE-2014 invites research papers that encompass conceptual analysis, design implementation and performance evaluation.

* *Velocity* an International Journal of Physical Education, Sports, Health and Recreation invites original research papers. Submissions should reflect an original contribution based on actual field which should relate to the huge spectrum of education and related areas. The style of writing papers/articles including references should be in tune with APA format. Direct all inquiries and manuscript submissions to the Editor-in-Chief, C/o Dr. R.C. Kapil (editorvelocity2013@gmail.com).

* The *International Mountaineering Congress* will be held in Zaragoza, ESP from the 19-21st of March 2015. Titled "Challenges of Mountaineering in the XXI century", CIMA2015 is a space for reflection and debate on mountain sports and their contribution to the welfare of our society. Its global, multidisciplinary and international approach ensures the success of CIMA2015, a milestone of mountaineering where they will put all eyes. CIMA2015 is the international meeting place for mountaineers, researchers, professionals, athletes, companies, administrations, mountain people and all those who are willing to project the mountains and climbing toward the century XXI and beyond. The extended deadline for submission of abstracts: October 31th 2014. For more information: <http://english.cima2015.es/>
