\* **The Early Career Academic Networking (ECAN) Lunch at Madrid 2015** will take place, Thursday 9<sup>th</sup> July 1-2pm in a venue that will be announced soon. Inspired and informed by the 'Letters to an Early Career Academic' symposium at the **AIESEP** conference in Auckland in 2014, this networking lunch aims to support research higher degree students and early career academics in 'horizontal networking'-connecting with others in the field who are at similar stages of PhD completion and/or at similar points on the academic ladder. We will not be talking about academic networking during this lunch. We will **be** networking (and eating!). So please email [e.enright@uq.edu.au](mailto:e.enright@uq.edu.au) to register your attendance (or connect with her on twitter @EimearEnright), put the day and time in your diary, come along and be prepared to meet and chat to new people who may or may not share your academic interests! Previous **AIESEP** Young Scholar Award recipients will participate in, and facilitate this event. And remember the hashtag we are using to support engagement with the **AIESEP** conference is **#AIESEP2015**
