

AIESEP (Association Internationale des Ecoles Supérieures d'Education Physique - International Association for Physical Education in Higher Education) is a multilingual and multicultural association of universities, colleges, institutes of physical education (PE) and sport, and individuals who support and contribute to the advancement of sport pedagogy research and scholarship. For more information, see <http://aiesep.org>. The "AIESEP Flash Newsletter" aims to establish contact with people from around the world potentially interested in sport pedagogy.

IF YOU WOULD LIKE TO PROMOTE YOUR EVENT, PLEASE SEND INFORMATION TO Bryan McCullick (10 lines max, in English, include email address of contact) at bamccull@uga.edu

AIESEP News since 2017 / 3 / 13:

* **Call for abstracts.** The 2017 **AIESEP** World Conference will be held November 7-10, 2017 in Gosier, Guadeloupe (FRA) hosted by the Université des Antilles. The theme of the Conference is "Cultures, Disciplines, Interactions: Contextualizing Diversity in Physical Activities and Physical education" with sub-themes of: (a) Diversity in Physical Education and Sport: Opportunities and Challenges for Sport Pedagogy, (b) Learner Identities within Physical Education and Sport: Overtaking Inequities, (c) Cultural Competencies in Teacher and Coach Education, and (d) Inclusion Policies in Physical Education and Sport Practices. Diversity is understood in a broad sense that integrates the teaching of sport and physical education. You can access the conference website to the following address:

www.aiesepguadeloupe2017.wordpress.com. For more information, please contact: AIESEP2017@espe-guadeloupe.fr

* The **AIESEP** family continues to grow. If you wish to join AIESEP complete an application form via the **AIESEP** website at <http://aiesep.org/membership/becoming-a-member/> Remember, institutional membership entitles you to discounted conference registration fees at **AIESEP** events for three members of your institution. You can keep up to date with **AIESEP** news by following us on Twitter: www.twitter.com/aiesep (@aiesep) and on *Facebook*.

Position Announcements

* The Department of Kinesiology at Brock University (CAN) is seeking qualified applicants with expertise in physical literacy and education across the lifespan for a 3-year instructional limited term appointment (with the possibility of renewal) effective July 1, 2017. Candidates are expected to teach in the areas of physical literacy and movement education. Hiring decisions will be made on the basis of teaching ability and fit with departmental needs. Applicants should have a completed doctoral degree. Previous university teaching experience is an asset. The closing date for applications is April 30, 2017 and the review process will continue until the position is filled. Applicants must submit a letter of application, a statement of teaching interests related to departmental programs, curriculum vitae, and the names of three references to: Dr. Brian Roy, Chair, Department of Kinesiology, Brock University, 1812 Sir Isaac Brock Way, St. Catharines, Ontario, Canada L2S 3A1, E-mail: broy@brocku.ca. For further information, please refer to the job posting on the Brock University website: <https://brocku.ca/careers/posting/?id=1992>.

* Xavier University, a Catholic University in the Jesuit tradition, invites applications for a 9-month faculty teaching position beginning July 2017. The coaching education and athlete development program is in the department of sport studies, in the College of Professional Sciences: www.xavier.edu/sport_studies. The Department of Sport Studies offers Bachelor of Science degrees in exercise science, sport management and sport marketing, Master of Education degrees in coaching education and athlete development, and sport administration, as well as a Master of Science degree in athletic training. Xavier University has a strong commitment to diversity and, building upon recent success, seeks a broad spectrum of candidates including women and minorities. Candidates must have a doctoral degree in coaching education

or related field, or ABD with substantial dissertation progress. Preference will be given to candidates with significant coaching experience as well as a demonstrated ability to teach online courses. Responsibilities include: Teaching online graduate courses in coaching education and athlete development, participating in departmental, college and university service activities where appropriate, advising students regarding career options, and engaging with the broader community of professional coaches To ensure consideration, interested/qualified candidates must submit a cover letter, curriculum vitae and the names and contact information of three professional references on Xavier University's website at <http://www.xavier.edu/working-at-xavier/>. Review of applications will begin on April 3, 2017 and **will remain open until the position is filled.**

Conferences & General Information

* The *Second Scientific Conference on Motor Skill Acquisition* will be held November 15-17, 2017 at the University of Jyväskylä (FIN).
