

AIESEP (Association Internationale des Ecoles Supérieures d'Education Physique - International Association for Physical Education in Higher Education) is a multilingual and multicultural association of universities, colleges, institutes of physical education (PE) and sport, and individuals who support and contribute to the advancement of sport pedagogy research and scholarship. For more information, see <http://aiesep.org>. The "AIESEP Flash Newsletter" aims to establish contact with people from around the world potentially interested in sport pedagogy.

IF YOU WOULD LIKE TO PROMOTE YOUR EVENT, PLEASE SEND INFORMATION TO Bryan McCullick (10 lines max, in English, include email address of contact) at flash@aiesp.org

AIESEP News since 2017 / 6 / 15:

* The 2017 **AIESEP** World Conference will be held November 7-10, 2017 in Gosier, Guadeloupe (FRA) hosted by the Université des Antilles. The keynote speakers are: Peter Hastie (Auburn University, United-States): **Promoting inclusion in physical education** (Sub-theme 1 : Diversity in Physical Education and Sport: Opportunities and Challenges for Sport Pedagogy); Cheryl Michelle Walter (Nelson Mandela Metropolitan University, South-Africa): **Lessons from South Africa: fractures in the rainbow** (Sub-theme 2 : Learner Identities within Physical Education and Sport : Overtaking Inequities); Cécilia Borges (University of Montréal, Canada): **Teachers Knowledge and Cultural Competencies in Teacher Education** (Sub-theme 3 : Cultural Competencies in Teacher Education); Marc Theeboom (Vrij Universiteit Brussel): **Some alternative facts on inclusion and sport** (Sub-theme 4 : Inclusion Policies within Sport Practices). Follow this link to the webpage of the 2017 **AIESEP** World Conference, where a short abstract of each keynote is posted:

* The **AIESEP** special interest group (SIG) for early years has been created in 2015 and organized already several activities. Its aim is to create an active network of researchers/academics with an interest in issues relating to early childhood education (or referred to as early years), physical activity and health, physical education and physical development. The vision of this group is for researchers, scholars, practitioners to come together within the SIG with a focus on sharing findings, generating collaborative opportunities for research together, to allow for international comparisons as well as collaborations. More information is now available on the **AIESEP** website:

<http://aiesep.org/aiesep-sig-for-early-years/>

* The **AIESEP World Congress** will be held **July 25-28th 2018** at the University of Edinburgh (SCO). The Conference themes are: Physical education, policy engagement and economic liberalism, Empowering practitioners and supporting professional learning, Transformative learning and teaching in physical education and sport pedagogy, Innovative perspectives on physical education, physical activity, health and wellbeing and sport. There is a twitter handle where you can keep up to date with all the latest developments @UoE_AIESEP2018. We will use twitter to launch the website in August. We anticipate that the call for abstracts will go out in September 2017 with registration opening in January 2018. Representatives from Edinburgh will be attending AIESEP 2017 in Guadeloupe and deliver a presentation about our plans for the conference.

* The **AIESEP** family continues to grow. If you wish to join **AIESEP** complete an application form via the **AIESEP** website at <http://aiesep.org/membership/becoming-a-member/> Remember, institutional membership entitles you to discounted conference registration fees at **AIESEP** events for three members of your institution. You can keep up to date with **AIESEP** news by following us on Twitter: www.twitter.com/aiesep (@aiesep) and on *Facebook*.
