

In memoriam

John CHEFFERS

(13 May 1936 - 28 October 2012)

AIESEP President from 1983 to 1998

John CHEFFERS

After Melbourne High School and Melbourne University, he worked as the Carlton Football Club's Player Executive Director, at the *Australian Institute of Sport*, and Boston University. He was the AIESEP President from 1983 to 1998, seeking influence developments in physical education and sport pedagogy. A prolific writer and speaker, researcher, his presence at and contributions to AIESEP were central in the early years. John was very much appreciated because of his kindness and humanity, because of his strong relevance while formulating questions after the presentations and because of his propensity to gather people in a friendly community.
