

AIESEP (Association Internationale des Ecoles Supérieures d'Education Physique - International Association for Physical Education in Higher Education) is a multilingual and multicultural association of universities, colleges, institutes of physical education (PE) and sport, and individuals who support and contribute to the advancement of sport pedagogy research and scholarship. For more information, see <http://aiesep.org>. The "AIESEP Flash Newsletter" aims to establish contact with people from around the world potentially interested in sport pedagogy.

IF YOU WOULD LIKE TO PROMOTE YOUR EVENT, PLEASE SEND INFORMATION TO Bryan McCullick (10 lines max, in English, include email address of contact) at bamccull@uga.edu

AIESEP News since 2017 / 5 / 17:

* The 2017 **AIESEP** World Conference will be held November 7-10, 2017 in Gosier, Guadeloupe (FRA) hosted by the Université des Antilles. The theme of the Conference is Cultures, Disciplines, Interactions: Contextualizing Diversity in Physical Activities and Physical education” with sub-themes of: (a) Diversity in Physical Education and Sport: Opportunities and Challenges for Sport Pedagogy, (b) Learner Identities within Physical Education and Sport: Overtaking Inequities, (c) Cultural Competencies in Teacher and Coach Education, and (d) Inclusion Policies in Physical Education and Sport Practices. Diversity is understood in a broad sense that integrates the teaching of sport and physical education. You can access the conference website to the following address: www.aiesepguadeloupe2017.wordpress.com. For more information, please contact: AIESEP2017@espe-guadeloupe.fr

* The **AIESEP** family continues to grow. If you wish to join AIESEP complete an application form via the **AIESEP** website at <http://aiesep.org/membership/becoming-a-member/> Remember, institutional membership entitles you to discounted conference registration fees at **AIESEP** events for three members of your institution. * Dublin City University (DCU) Institute of Education (IRE) invites applications for [bursaries for PhD studies](#) (part-time). This bursary will cover fees for part-time PhD study (up to a maximum of 5 years) and is open to applicants who register in Year 1 of part-time PhD studies in the DCU Institute of Education in September/October 2017. The Institute of Education is committed to advocating for positive

changes and transformations in educational policy-making and practices across the island of Ireland and internationally. It further aims to strengthen the participation and voice of stakeholders, and those who have been marginalised, in matters regarding education research. Therefore, research within the Institute has a focus on engagement in high-quality scholarly research that improves pedagogic practices and enhances learners' experiences in formal, informal and/ or non-formal learning contexts, and that informs policy-making and civil society within and beyond Ireland. Research scholars work under the supervision of academic experts and are an important part of DCU Institute of Education vibrant research community. The Bursary will cover payment of part-time PhD fees (up to a maximum of five years). A total of 6 bursaries will be offered, one Bursary for each School of the Institute of Education. Those with an interest in applying for the Bursary in the [School of Arts Education and Movement](#) should contact Dr. Regina Murphy, Email: regina.murphy@dcu.ie in the first instance.

Deadline for receipt of applications is 1pm on 30th June 2017.

Conferences & General Information

* Researching Play – Challenges and Opportunities 27th ICCP World Play Conference Vilnius, Lithuania, 2017 The 27th ICCP World Play Conference will be held on the 15-17th of June 2017. The conference is organized by International Council for Children's Play in cooperation with the Play Research Laboratory of Lithuanian University of Educational Sciences, Faculty of Education. Play is studied across the whole range of academic disciplines, from computing science to sports science and from history to philosophy. Across these diverse disciplines a vast range of methodologies and methods are used to arrive at a better understanding of the fascinating phenomenon of children's play. 'Researching Play – Challenges and Opportunities' aims to share effective ways of researching play and to promote discussion about the methodical challenges faced by play researchers. Organizing committee of the 27th ICCP World Play Conference, Vilnius. ICCP2017@gmail.com <http://2017-iccp-play.weebly.com>
