Since 2014 I am on the board of AIESEP directors in the “Marketing, Recruitment and Young Scholars Committee” together with Michal Lenartowicz and Tristan Walhead. We were responsible for the Young Scholar Award as well as for the organization of the Early Career Academic Network activities of AIESEP as preconference workshops.

Brief description of your anticipated future involvement in AIESEP activities: It would be appropriate to note here:

- a) Which of the AIESEP sub committees you would be keen to engage with
- b) Any specific initiative you would lead as AIESEP Board member

In order to establish AIESEP as an international and recognized organization of sport pedagogy in the field of sport sciences and other related disciplines, the board should promote bondings of talented young researchers to the aims and philosophy of AIESEP. One important element of this strategy can be to strengthen those young researchers' expertise in preconference workshops. My main intention for the second board candidature is to further establish these workshops with well-known AIESEP scholars and experts and build a sustainable network of young scholars.

a & b) I would like to continue my work in the Marketing, Recruitment and Young Scholars Committee together with Tristan Wallhead in the next legislative period.
